P250FW POCKETHERM

WATERPROOF thermometer with fold out probe

ACCURACY 2°F

Fast, accurate and waterproof thermometer with audible alarm plus flashing LEDs to indicate critical HACCP zones

P250FW Waterproof Pocketherm Folding Thermometer from Comark
- it's fast, it folds, it bleeps, it's waterproof!

P250FW Pocketherm is fast and accurate - and accurate measurements can mean all the difference between safe and unsafe food, between freshness and spoilage of your products.

Designed for ease of use in the kitchen and other food production areas, the fold out thin tip steel probe (1.5mm) allows the user to select the best angle to take different temperatures.

Features

- Flashing LEDs plus buzzer for instant temperature indication
- Yellow for Hot Hold, Green for Cold Hold and Red for Ground Beef
- Probe can be angled for ergonomic use
- Range: -58°F to +482°F
- Resolution: 0.1°
- Accuracy: ±2°F
- Auto switch off to preserve battery life
- Battery life of more than 1000 hours
- Waterproof to IP65

Change your cooking experience with Pocketherm!

Warranty

All Comark instruments have a minimum one year warranty unless otherwise stated. The warranty for temperature probes is six months and all other probes are unwarranted because the conditions of use are beyond our control. The Comark Warranty covers manufacturing defects and component failure and applies worldwide. In line with our policy of continuous development, we reserve the right to alter any product specification without notice. Comark has an accredited UKAS (NIST equivalent) calibration laboratory for temperature and humidity measurement and offers full service and recalibration facilities.
